Workshop on Applied Macroeconomics and Monetary Policy

Special Topic: Confidence Indicators and Business Cycles

Lima, February 3, 2022

On February 3rd, 2022, the Institute of Economics of the University of St. Gallen and APOYO Consultoría will organize a Workshop on Applied Macroeconomics and Monetary Policy, which will be held at the Belmond Miraflores Park Hotel in Lima, Peru.

This workshop seeks to bring together applied macroeconomic researchers to promote and exchange ideas in the field of empirical macroeconomics and monetary economics. Researchers are invited to submit empirical papers that are broadly consistent with the workshop's special topic. The workshop is open to both young and experienced academic researchers and professionals from business, government and non-governmental institutions.

Format:

The workshop will be offered in a hybrid format, with preference for participation in person. Virtual presentations will be held via Zoom.

Submission:

The deadline for the submission of papers is January 10, 2022. Papers should be sent in PDF format to: workshoplina2022@apoyoconsultoria.com. Authors will be notified by January 15, 2022.

Fees:

There is no registration fee. Lunch and coffee breaks are covered by the organizers. Participants are invited to make their own arrangements regarding traveling and accommodation.

Organizers:

Maria Bolboaca (University of St. Gallen)

Renzo Castellares (Central Reserve Bank of Peru)

Nelson R. Ramírez-Rondán (Center for Latin American Monetary Studies)

Jose Carlos Saavedra (APOYO Consultoría)

Questions regarding the scientific content or any organizational aspect of the workshop should be addressed to: workshoplina2022@apoyoconsultoria.com.
